MALABAR MILLENNIUM

2,2:01.2; 3,1:54 (\$67,973)

Malabar Man-Gleam-Speedy Crown

Malabar Millennium is by **Hambletonian winner Malabar Man** and out of **Hambletonian Oaks winner Gleam**. Malabar Man had one of his best siring seasons to date in 2008, led by Dan Patch divisional champion **Honorable Daughter** 2,1:55.1f-'08 (\$835,555).

Malabar Millennium **won his Hambletonian elim**, but suffered a career-ending injury in the final as one of the **race favorites**. One can only imagine what a great racing career he would've had if not for that misfortune!

From two small crops to race, he has sired **73% winners** from starters including the **current World Champion** 2-year-old gelding on a five-eighths mile track **Assai Piu Mosso** 2,1:57f-'08!.

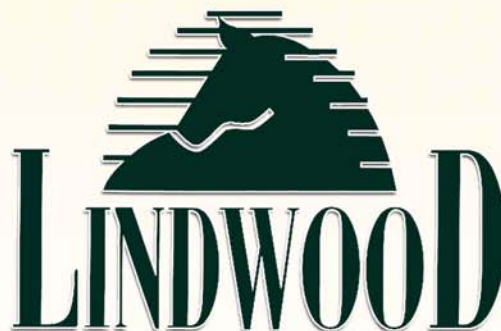

Consider his pedigree, his stud fee and the slots-enhanced Pennsylvania program, and secure a 2009 booking today!

Fee \$2,500
